**PETITION TO REVIVE UNDER 37 CFR 1.137(b)**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This paper responds to the Notice of Abandonment mailed November 4, 2005, which issued as a result of the Applicants failure to submit a proper reply to the Office Action dated April 27, 2005. The Supplemental Office Action Summary received by Applicants' attorney did not include a cover page, and thus, a response to the action was docketed for six months from April 29, the day that Applicants' attorney received the Summary from the PTO. Applicants' attorney noticed this discrepancy while finalizing his response and immediately brought the issue to the attention of the Examiner, who in turn issued the Notice.

Therefore, the Applicants respectfully petition that above-identified application be revived under 37 CFR 1.137(b). The Applicants respectfully submit that any delay in advancing prosecution in the application from the due date of the reply until the filing of a grantable petition to revive the application was unintentional and accidental.

The Applicants respectfully request that the Request for Continued Examination included herewith be entered. Applicants have submitted a check to cover the required petition fee of \$1500.00, as set forth in section 1.17(m), as well as the fee for filing a Request for Continued Examination of \$790.00, as set forth in section 1.17(e).

Respectfully submitted,

Dated: December 13, 2005
